STAINLESS STEEL DIP NETS

We manufacture a range of dip and fry nets which are used throughout the world and are regularly seen on television. These are constructed of stainless steel bar and are therefore very strong and lightweight. **Complete nets come with a 5ft ribbed fibre glass handle as a standard.** The 'D' Shape nets have a protective bar on the leading edge and the round nets have protection all around.

COLLINS DRYSUITS

COLLINS STANDARD DESIGN CORDURA DRYSUIT

£530

COLLINS TELESCOPIC DESIGN CORDURA DRYSUIT

£570

These Drysuits are made from Heavy Duty Cordura material. This is the strongest material in the Collins range.

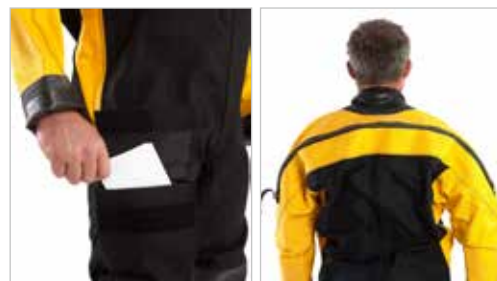

Our drysuits are designed & manufactured by professionals in the U.K. We use a seam sealing system that has been developed over the years to ensure the highest quality. Our drysuits are regularly seen in use on Television & Social Media. They are widely used by the Environment Agency, Fisheries & Rivers Authoritys etc.

Key features included:

- Latex neck & cuff seals
- Heavy duty knee & seat pads
- Folded thigh pocket
- Steel toe-cap & mid sole boots

Some sizes are kept in stock, others will be made to order. Contact us to find out more! 01308 485424.

Alternative Colours available:

Telescopic Design: As with all our drysuits the telescopic torso system has internal shoulder braces to hold up the lower part of the suit. It is then combined with either our unique internal adjustment system & velcro tabs to fasten the front down or you can have an external crotch strap. **A telescopic drysuit is ideal for multiple users of different heights & will give freedom of movement & flexibility like no other design.**

LIVE CATCH VERMIN TRAPS

DOUBLE CATCH LARSEN TRAP

The size of the Larsen Trap is 30" x 30" x 18". The trap mechanism involves a spring door to each catching compartment which, when set, is held open by a split perch. There is a separate compartment for a call bird with sun shield. This top entry trap is ideal for Magpies. Comes flat packed with instructions.

£56

Kania 2000 Trap £60

Kania Tunnel £12.50

B.E.T.A BAIT STATION

£6

This bait station is lockable & suitable for indoor & outdoor use. Our plastic mouse trap fits inside this Bait Station & it comes with a wall mounting plate.

WCS TUBE TRAP

38 cm long x 11.5 cm diameter

To attract & kill Mink, Squirrels, Rats, Stoats & Weasels. It is a quality trap that incorporates a tunnel making it easy to comply with UK regulations.

This tunnel also has the added advantage that catches are hidden from public view. The WCS tube trap can be used either baited or un-baited. The trap itself acts as an attractant to inquisitive targets, or it can be sited as a 'run-through'.

£48

ONE RAT BAIT STATION

£8

This bait station is lockable & suitable for indoor & outdoor use. Our plastic mouse & plastic rat traps fit inside this Bait Station

EZ BAITER TUBE

Check and refill without handling the station. Includes an internal tray to hold the bait.

VERMIN CONTROL

RUBY OR JADE GRAIN POISON

Raco whole grain poison contains proven aniseed attractants which enhances a rapid take. Approved for use in and around buildings. 10 & 20 kg sizes are loose grains.

Active Ingredients:

0.005% Difenacoum (Ruby)

0.005% Bromadiolone (Jade)

20 kg Sack **£38**

10 kg Tub **£29** (Ruby Only)

1.5 kg Tub **£12** (Ruby Only)
= 60 x 25g sachets of grain

RACUMIN FOAM

Rat & Mouse Killer Foam.

Apply to areas where rodents are known to pass (access holes, cavity walls and pipe-works).

500 ml aerosol **£42**

SAPPHIRE PASTE SACHETS

Previously called Raco Force Paste – **Sapphire Paste is a highly attractive bait that can kill Rats or Mice in a single feed.**

Approved for use in and around buildings. We recommend that you use a bait station so that the sachets can be secured.

Active Ingredient:

0.004% Brodifacoum

5 kg Tub **£40**

SAPPHIRE GRAIN – SINGLE FEED

Premium grade whole and cut wheat mix. The special blend will solve the toughest Rat & Mouse infestation. This is a single feed poison with a lethal dose effective within hours. To be used only in & around buildings.

Active Ingredient:

0.005% Brodifacoum

20 kg Sack **£80**

5 kg Tub **£40**
